# Gaming

(listed by order in schedule)

## *Play Red Flags with Drew Hayes*

It's like the dating game, except people are honest about their horrible flaws. See if love and victory are in the cards for you!

---

## *Play Magic the Gathering with John and Theresa*

They've got commander decks and are ready to kick some ass. Will you knock our Magic experts from their thrones, or join the pile of fallen planeswalkers in utter defeat?

---

## *Play HeroQuest with Steve Wetherell*

You've heard him talk about his love of the game, now see for yourself what the fuss is about!

---

## *Painting Miniatures with John Luther Davis*

Our resident A&D artist has generously donated his time and talents to host a session on painting miniatures.

All supplies will be provided.

Due to the limited size of this activity, the initial **ten** slots will be allotted on a **first-signed-up basis**, with the remainder held back as prizes for the raffle/quiz show in fairness to our later arrivers.

# *Readings*

All A&D Cast readings will be set in the A&D Book Store (see map) at scheduled intervals. There will also be a signing session to follow, where books and/or personal items can be autographed.
